Citroën Jumpy/SpaceTourer

3 versions: XS, L & XL
Engine: BlueHDi 120 and 150 HP
Manual gearbox

Not compatible options: ETG6 Gearbox, BlueHDi 95, 115 and 180 hp engines, Citroën tow bar.

The Trek solution:

Reliable: with the Jumpy/SpaceTourer Trek and its 4 cm raised body, difficult terrains aren't difficult anymore!

Its assets: on road as well as tough terrain, it progresses in an efficient way (forest, mountain, etc). The Jumpy/SpaceTourer Trek ensures a very good road holding and provides a remarkable mobility for a two wheel drive vehicle thanks to an under-engine protection plate and a motricity optimization system on difficult terrain: the Grip Control (5 versions available according to ground type).

Simple and elegant: resulting from its raised suspensions, the Jumpy/SpaceTourer Trek dominates difficult terrain and allows safe and comfortable driving on regular roads without the driver having to intervene.

Economic: the Jumpy/SpaceTourer Trek is a 100% mechanical development with parts which don't require specific maintenance which means an economic vehicle!

Warranty and maintenance:

2 years (Unlimited mileage)
Service intervals as per base vehicle.

Mandatory options:
Jumpy: Grip Control (ZHCG) and Rough Road Package (GA04)
Spacetourer: "Motricity pack" (J4TA/J4TC/J4TD)

Avantages

√ 40 mm raised suspension
√ Low CO_2 emissions and fuel consumption
√ Comfort
√ Crossing capacities on tough terrain
√ Under body protections

Useful information

**Dangel Conversion lead-time:**
5 weeks (after vehicle reception // transport excluded)

EU Type approval e2*2007/46
2nd step COC for each vehicle

Off-road values

Unloaded off-road values

	Front angle (A)	Central angle (V)	Rear angle (F)
XS	23.2°	23.4°*	23.2°
L	23.2°	20.8°**	23.2°
XL	23.2°	20.8°**	23.2°

* : (11.7° x 2)
** : (10.4° x 2)

Unloaded ground clearance (*)

Under engine skid plate (A)	190 à 200 mm
Under rear axle (B)	260 à 270 mm
Under body (C)	275 à 285 mm

* : These values are given for information purposes only.
They may vary depending on the vehicle equipment.
